Walls start closing in around you My twins of evil They shake you by the collarbone Then snap your ribcage

And broken bodies in a death rock dance hall Please be my partner Eyeballs pop, accelerated blood beat Veins 'a' shaking

And all hell breaks loose
Yea, evil is as evil does and who
Yea, who but me could write this book of cruel

I send my murdergram
To all these monster kids
It comes right back to me and it's
Signed in their parents' blood

And all hell breaks loose
Yea, my heart is a-breaking loose
Yea, my whole world's breaking loose
Yea, and evil is as does and who
Yea, but who but me could write this book of cruel

I send my murdergram

To all these monster kids

It comes right back to me and it's

Signed in their parents' blood

And broken bodies in a death rock dance hall

Please be my partner

And eyeballs pop, accelerated blood beat

Veins a-shaking

And all hell breaks loose
Yea, my heart is a-breaking loose
Yea, my whole world's breaking loose
Yea, evil is as evil does and who
Yea, but who but me could write this book of cruel

I said my whole world's breaking loose Yea, my whole world's breaking loose Yea, my whole world's breaking loose Yea, my whole world's breaking All hell breaks loose
