

# Dig Up Her Bones

Misfits

Anything is what she is  
Anywhere is where she's from  
Anything is what she'll be  
Anything as long as it's mine  
And the door, it opens, is the way back in  
Or is it, the way back out

Any place is where she'll be  
Any place, she'll see you from  
Lies and secrets become your world  
Any time, anywhere, she takes me away  
And death climbs up the steps one by one  
To give you the rose  
That's been burnt by her sun

Point me to the sky above  
I can't get there on my own  
Walk me to the graveyard  
Dig up her bones

I have seen the demon's face  
I have heard of her death place  
I fall down on my knees in praise of the  
Horrible things that took her away  
And death climbs up the steps one by one  
To give you the rose  
That's been burnt by her sun

Point me to the sky above  
I can't get there on my own  
Walk me to the graveyard  
Dig up her bones

Point me to the sky above  
I can't get there on my own  
Walk me to the graveyard  
Dig up her bones
