

Some Kinda Hate

Misfits

There's some kinda love
And there's some kinda hate
The maggots in the eye of love
Won't copulate

And it's a whoah oh oh oh oh
And it's a whoah oh oh oh oh
And it's a whoah oh oh oh oh
I said whoah whoah oh, oh oh oh

Hear the cats cry
Little tortured babies in pain
Cracked necks by stilted limbs
They don't hesitate

And it's a whoah oh oh oh oh
Baby whoah oh oh oh oh
And it's a whoah oh oh oh oh
I said whoah, whoah, oh

There's some kinda love
And there is some kinda hate
I'm gonna tell you all about it now
The maggots in the eye of love won't copulate

And it's a whoah oh oh oh oh
Baby whoah oh oh oh oh
Baby whoah oh oh oh oh
I said whoah whoah oh, whoah oh
