

# (This Is) Crazy

Misha

Crazy..... crazy..... crazy  
(They say things happen)  
(They happen all the time)  
(You have somebody and you)  
(Loose somebody)  
(Everybody goes away)

It is crazy  
What am I gonna do  
It is crazy  
Wanna be here with you  
It is crazy  
How I come I can't explain things  
It's so crazy

That life is driving me insane, man  
No help ain't getting to me, yeah  
Some things I'll never understand, babe  
(No, there's nothing you can do about it  
Don't worry)  
Why do I have to learn the hard way

Chorus  
This is crazy  
Where do I go  
This is crazy  
How do I know, man  
This is crazy  
How do I explain things  
This is crazy

It is crazy  
What am I gonna do  
It is crazy  
Wanna be here with you  
It is crazy  
How I come I can't explain things  
It's so crazy

Now there's no way to show you  
(I won't do that to you)  
A little bit of minimum respect  
(That's a tough source of inspiration)  
Just like when I was a little girl  
(I'll be aware of the wrong that looks like right)  
And had a maximum select

It is crazy  
What am I gonna do  
It is crazy  
Wanna be here with you  
It is crazy  
How I come I can't explain things  
It's so crazy

Bridge  
Here's the reality to face

Here's the reality  
My friends keep telling me to go  
My friends keep telling me  
I feel I need to take a break  
I feel I need  
So I raise my head and hold on  
I raise my head and hold on

This is crazy  
Where do I go  
This is crazy  
How do I know, man  
This is crazy  
How do I explain things  
This is crazy

It is crazy  
What am I gonna do  
It is crazy  
Wanna be here with you  
It is crazy  
How I come I can't explain things  
It's so crazy

Crazy....  
(you know, that's tough source of inspiration)  
crazy.....  
(but I'll hold on, I'll hold on, hold on)  
(and that's when we start appreciate things)  
crazy....  
(now I see)  
crazy....
