I don't know what it is about this shawty  
But they way she lookin at me  
Got me wantin to slide up on it  
And break you off  
So girl don't stop it now  
Bring it back up top

I like the way your droppin it  
And I like the way your poppin it

She had me goin crazy  
How she rockin it and bounce wit da bass  
Hold up wait a minute  
Wanna get wit it she thought I could get wit it  
I'm the one so please believe
