

# Tender Love

Mishon

Here I lay all alone  
toss and turning  
Longing for something more  
tender love  
I'm waiting for the right  
moment to come  
So I can thank you for  
all the tender love you've given to me

Tender love  
tender love  
Heart so tender  
Pulling me close to you  
Baby I surrender

Candles they light the dark  
Now i see how  
Loving the feelings are  
all the tender love you've given to me  
Oh baby yeah  
I want you more and more  
can't resist you  
Oh then I feel your touch  
Tender love  
Loving me straight from the heart  
coming nearer  
Please let me be apart  
all the tender love you've given to me

Tender love  
tender love  
Heart so tender  
Pulling me close to you  
Baby I surrender

Yeah yeah

My Baby  
I surrender  
I surrender  
Say I surrender  
I surrender  
I surrender  
Say I surrender

My Tender love  
Tender love  
tender love  
Heart so tender  
Pulling me close to you  
Baby I surrender

My tender love  
My tender love
