

Tender Love

Mishon

Here I lay all alone
toss and turning
Longing for something more
tender love
I'm waiting for the right
moment to come
So I can thank you for
all the tender love you've given to me

Tender love
tender love
Heart so tender
Pulling me close to you
Baby I surrender

Candles they light the dark
Now i see how
Loving the feelings are
all the tender love you've given to me
Oh baby yeah
I want you more and more
can't resist you
Oh then I feel your touch
Tender love
Loving me straight from the heart
coming nearer
Please let me be apart
all the tender love you've given to me

Tender love
tender love
Heart so tender
Pulling me close to you
Baby I surrender

Yeah yeah

My Baby
I surrender
I surrender
Say I surrender
I surrender
I surrender
Say I surrender

My Tender love
Tender love
tender love
Heart so tender
Pulling me close to you
Baby I surrender

My tender love
My tender love
