I see the life of the party we don't get it started Till' I I I I I walk in Till' I I I I I walk in Till' I I I I I walk in Dj turn it up up up up up up Dj turn it up up up up up up now watch the girls pick it up and drop it down (drop it down) watch the girls pick it up and drop it down Now I ain't got no curfew, so when this thing ends On to the next one, we gon' get it in let the crowd rock and let the beat spin heard 'em say encore, drop it again Grab a lil' shawty, hands all on her body walk into the bass while she droppin' it low sweat all on her hands soon as she hit the floor then she turn around and had my eyes like woah Yep the beat steady knockin' then you see me walkin' and I'll be like go'on girl, go'on girl do your thing, stop that's why them girls like to party with me that's why them girls like to party with me I be the life of the party We don't get it started Till' I I I I I walk in Till' I I I I I walk in Till' I I I I I walk in That's when the Dj turn it up up up up up up turn it up up up up up up now watch the girls pick it up and drop it down (drop it down) watch the girls pick it up and drop it down Girls gon' wild, pullin on my shirt treat 'em like its 9 ta 5 Imma go to work Its time to clock in, I'm puttin on a show They don't even know, they don't even know Rock to the left, rock to the right Girl now slooooww motion bring the beat back, keep it goin don't stop till ya break that back Ta, tell the Dj its your song, you need ta play that back Drop it drop it down drop it down to the floor shawty bad as she wanna be I gotta get her home I am the life of the party man Now let go dance for show out 2 ounces of lean so everything is in slow mo got me lambo, Roscoe, Mishon turn it up aka shawty cool me down cause I'm burning up see my bank on that Milli but I'm workin on three more I'm all in my zone like I'm standin in three fo'

I be the life of the party We don't get it started

Till' I I I I I walk in
Till' I I I I I walk in
Till' I I I I I walk in
That's when the Dj turn it up up up up up up
turn it up up up up up up
now watch the girls pick it up and drop it down (drop it down)
and drop it down, watch the girls pick it up and drop it down
Who wanna party with me
Lets take it to the VIP
Everything's on me, baby

Just take it low (low), just take it low (low) down to the flo' (flo'), to the flo' Baby just take it low (low), just take it low (low) Now Dj turn it up up (turn me up) up up (Okay) up up up All these pretty ladies, I don't know which one to choose So I think I'll take 'em all, there's no way I can lose what you bring some more drinks, shawty say Ahh I'm tryin ta find my team like my man they say Ahh

Got a party at my crib.

Look like they never saw the ray jay

Playboy mansion they don't got this many playmates

The party don't start, until I get up in it

and I keep it turned up (turn me up)

I be the life of the party
We don't get it started
Till' I I I I I walk in
Till' I I I I I walk in
Till' I I I I I walk in
That's when the Dj turn it up Ooo O Ooo O Ooo O
(turn it up up up up up up up
turn it up up up up up up)
now watch the girls pick it up and drop it down, drop it down, down

Another one of dem Hit me
