

# The Double Threat Of Danger

Miss Fortune

Sometimes awful things have their own beauty.  
Maybe I'm heartless, like i just don't care.  
I shatter bones with microphones, and you back down because you  
're scared.  
But me? My visions impaired.  
There's no need to run, and there's no more fear.  
Not like I trusted you anyways.

Now we're at the end of the story, yet I've never have more to  
say.  
You tried to make everybody hate me, but I'm standing here toda  
y,  
and everything that you said it didn't mean a thing.  
This is me leaving, and this is you dying.

It's all about the profit, and it's all about the schemes.  
They say I'm trying to make a living out of nothing but some dr  
eams,  
and I'm so sorry, I just can't leave out this way.  
But I'll only let you down if you're expecting me to stay.

I can feel it in my bones  
There's a part of me that tried to take you on  
But I made a scene, ay  
How could you be so fake? Yeah  
Oh, talk about something that matters  
Something, something that battles the emotions and notions ever  
ybody's after  
To hell with all your gimmicks, I'll give you a minute to let i  
t all go.  
I'll be in your background, I'll be singing so loud.  
All the girls you ever want, trying to fuck my ego.

It's all about the profit, and it's all about the schemes.  
They say I'm trying to make a living out of nothing but some dr  
eams,  
and I'm so sorry, I just can't leave out this way.  
But I'll only let you down if you're expecting me to stay.

I've changed, and nothing with be the same.  
Everything is different in my eyes.  
This time I'm crossing the line.  
Tell me, how did you take what was mine?  
YOU ONLY TOOK WHAT I LEFT BEHIND!

It's all about the profit, and it's all about the schemes.  
They say I'm trying to make a living out of nothing but some dr  
eams,

and I'm so sorry, I just can't leave out this way.  
But I'll only let you down if you're expecting me to stay.
