

# Barefoot Tonight

Miss Kittin

Show time get on stage  
Wearing shoes too high for me  
Don't need them to be a lady  
And kick some ass barefoot tonight

Shout!

Got my finger on the trigger  
I start to SHOUT in the microphone  
Plug it in my batfuzz pedal  
To kick some ass barefoot tonight

Foot switch operation I am proud to be a modern girl  
Who's not ashamed in guitar shops  
Walking down the streets with a leppard raincoat  
No mercy for your ears I am riding free 1,2,3,4  
I am ready to kick some ass barefoot tonight
