

A Daughter Or A Son

Miss Li

It was after the show
At the hotel-bathroom, cold and lonely floor
And I didn't know
Didn't understand until I held you in my hand

And now, are you all alone?
Are you lost and cold?
I wish that I could keep you warm.
And I, I would sing a song.
And I would have known if you were a daughter or a son.

I didn't know, it would hurt this much to lose and let you go.
Why did you leave? Had I been drinking to much? I wish I had known.

And now, are you all alone?
Are you lost and cold?
I wish that I could keep you warm.
And I, I would sing a song.
And I would have known if you were a daughter or a son.

And I want you to know, though I wasn't ready for you
I still love you so!

And now, are you all alone?
Are you lost and cold?
I wish that I could keep you warm.
And I, I would sing a song.
And I would have known if you were a daughter or a son.
