I can't get you off my mind

I can't get you, get you off my mind I can't get you, get you off my mind I'm hanging 'round the phone waiting for a call, I would it give my all just to hear you say hello! but hunny... I can't get you, get you off my mind I can't get you, get you off my mind I clean the house a thousand times Just to get my mind on something else I Go drinking with the girls To quit thinking about you but hunny... I cant' get you, get you off my mind And I can't get you, get you off my mind And I can't get you, get you off my mind I cant' get you, get you off my mind ohh no, noo I don't know what to do You're everywhere I turn and everywhere I go But I'll try to cut you out of my life Just as you cut me out of yours oh oh uh uh I can't get you, get you off my mind I can't get you, get you off my mind I can't get you, get you off my mind I can't get you, get you off my mind
