

Lovekiller

Miss Li

This blood is on your hands
Now no one can save my heart
And the scars you left can't be repaired
The knife is in your hands
Is that a smile on your face?
It's so clear to me

You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller
You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller

Ooh, I see your strategy
I bet you've been here before
You won't stop until you
Ooh ooh, just like a criminal
You've stolen love away from me
And it's so clear

You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller
You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller

You're a cold blooded murderer
Never did I think you could,
You're such a cold blooded murderer
You're a lovekiller, you're a murderer
And it's so clear to me

You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller
You're a lovekiller
You're a lovekiller
You're a love love love love lovekiller
