

Not That Kind Of Girl

Miss Li

You claimed that I had several lovers
But I'm not that kind of girl

You say that I flirt around and around
But I would never do like that

You think that I'd been fooled around
But I'm not that kind of girl

I know that you had
A lot of bad women
But I am not one of them
So trust me
Oh baby, just trust me
Believe me
Oh baby, believe me
Don't leave me
Oh baby, don't leave me
I'm not that kind of girl

You think that I am playing tricks with your mind
But I'm not that kind of girl

You think that I love you only for your money
And not for the one you really are
But I promise you once and I promise you twice
That I'm not that kind of girl

I'm tired of a blame
Tired of ashame
I-I-I don't deserve it so
Trust me
Oh baby, just trust me
Believe me
Oh baby, believe me
Don't leave me
Oh baby, don't leave me
I'm not that kind of girl

I'm not that kind of girl
No, I'm not that kind of girl

So trust me
Oh baby, just trust me
Believe me
Oh baby, believe me
Don't leave me
Oh baby, don't leave me
I'm not that kind of girl
No, I'm not that kind of girl x3
