

Not The One I Need

Miss Li

You didn't want my love
Now when I'm gone, baby
You just want it all
But I won't change my mind, honey

This endless little story
About you and me
Would have never worked
Oh baby can't you see?

You're not the one I need
You're not my everything
Ohhh, no no
You're not the one I need
You're not my everything

No I don't want your love
Not today not tomorrow
So baby stop this talk about
How good it would be, honey

You say that you've changed
That you are a better man
But I've heard it all
One thousand times before

And you're not the one I need
No you're not my everything
Oh, oh no
You're not the one I need
You're not my everything
Oh, oh no

No I don't think about you
Every day and every night
And it feels so good
To quit this fight
It feels so good
That I

You're not the one I need
You're not my everything
Oh, no, no no
You're not the one I need
You're not my everything
No, not everything
You're not the one I need
You're not my everything
I know you think so
I know but you're,
You're not the one I need
You're not my everything
Oh, oh oh, yeah
