

# Seems Like We Lost It

Miss Li

Well here you stand in front of me  
Looking as cute as you can be  
But i don't know if you are ment to be, my destiny

Our love is fear in disguise  
I glanze a tear in your eyes  
Would we work this out if we were old and wise?

I don't know but i cant let you go

But I found a little pice of you  
Found a little pice of me  
But it seems like we just lost it

The sky is blue  
My skirt is black  
The fear of loosing you is back  
No i'm not sure if i could handle that  
I wright all these stupid songs  
To find out what i'm doing wrong  
I need to know before all our love is gone

I can't let you go  
Cause i love you so (x2)

And I found a little pice of you  
Found a little pice of me  
But it seems like we just lost it

I found a little pice of you  
You want a little pice of me  
But it seems like we cant find it

No no no oh oh no

I found a little pice of you  
Found a little pice of me  
but it seems like we just lost it

I want a little pice of you  
You want a little pice of me  
But it seems like we cant find it

I found a little pice of you  
Found a little pice of me  
But it seems like we just lost it

I want a little pice of you  
You want a little pice of me  
But it seems like we cant find it

Well here you stand in front of me  
Looking as cute as you can be
