

Take A Shower!

Miss Li

Why don't you want to take a shower with me baby
Why do you keep saying maybe maybe
Is it something I have done so tell me now
Do you think I have done you harm
Or is it something you have done that shouldent have been done
Have you been out having too much fun
Tell me baby tell me baby or I lose my mind
Don't you know my love for you is blind

Why don't you want to cuddle with me baby
Why do you keep saying maybe maybe
Is it something I have done so tell me now
Do you think I have done you harm
Or is it something you have done that shouldent have been done
Have you been out having too much fun
Tell me baby tell me baby or I lose my mind
Don't you know my love for you is blind

Why don't you want to take a shower with me baby
Why do you keep saying maybe maybe
Is it something I have done so tell me now
Do you think I have done you harm
Or is it something you have done that shouldent have been done

Tell me baby tell me baby or I lose my mind
Don't you know my love for you is blind
