

The Happy Sinner

Miss Li

Well I woke up Monday morning and I thought, to myself.
Well I am not going to drink one more of those beers no, no.
No no oh.

And, then, I, I woke up Tuesday morning and I said.
Well I am not going to smoke one more cigarette, no, no.
Oh oh oh mm.

Well, as soon as I stepped into the shower
my mind began to feeling better.
And as I watched my naked body, my sins just ran off.
I'm to weak to stop.

Well I, I woke up Wednesday morning and I, I promised myself that
I am not going to tell you one more of those lies no, no.
No more lies, no.
And then I woke up Tuesday morning, and I said, well
from now on I ain't gonna eat no more of that garbage no, no.
It's time to loose weight.

But as soon as I stepped into the shower
my mind began to feeling better.
And as I watched my naked body, my sins just ran off.
I'm just to weak to stop.
Ooh

Yeah, I wake up every morning and I think,
that I'm strong enough to start a life without sins no, no.
No, no, no, no!
Cause every other morning I don't even know that is agony
working on me no oh. It workin on me

Cause as soon as I stepped into the shower
my mind began feeling better.
And as I watched my naked body, my sins just ran off.
I'm just to weak to stop.

Cause as soon as I stepped into the shower
my mind began to feeling better.
I might as well live as a happy sinner, cause I'm just to
I'm not going to stop, come on, yay!

I might as well, I might as well, yay!
Live as a happy, live as a happy sinner.
Yahay, yes I might as well, I might as well live as a happy sinner.
Couse I'm just to weak to stop.
I might as well live, I might as well live, I might as well live.
Wooh
Know it,
No need to try to change my mind, I'm just a happy sinner
No there's no need to change desire I'm just to weak to stop
I'm just to weak to stop now
I'm to weak o stop
To weak to stop
Oh, c'mon boys
