

True Love Stalker

Miss Li

I messed it up -
I couldn't stop.
You say we're fucked.

And now you're gone,
And I'm alone.
What have I done?

I'm gonna hang outside your door,
Keep begging for a little more.
I'm gonna show you that it's you I adore,
Totally sure that I am the true love of yours.

This other girl
Is in your world;
She's beautiful.

But I don't care
If she is there.
I'll be everywhere.

You see,
I'm gonna hang outside your door,
Keep begging for a little more.
I'm gonna show you that it's you I adore,
Totally sure that I am the true love of yours.

I'm gonna hang outside your door,
And I'm gonna beg you for some more.
'Cause, boy I'm quite sure
That I am the true love of yours.
Yours...I adore you.
Mmm, I adore you, and I'm totally sure...
I adore you,
And I am the true love of yours.
