

Why Don't You Love Me

Miss Li

Why don't you just love me
The way you used to

Why don't you just love me
The way you used to do
Why don't you just love me
The way you used to do

My hair's still curly, my eyes still green
I'm still the same as when you loved me

Why don't you (Why don't you)
Just love me (Why don't you)
The way you used to do

Why don't you (Why don't you)
Just love me (Why don't you)
The way you used to do

You said our love would never fade
I'm still the same
Why did you change

Why don't you (Why don't you)
Just love me (Why don't you)
The way you used to do

Why don't you (Why don't you)
Just love me (Why don't you)
The way you used to do

Come back honey to me
Come back honey to me
Come back, can't you see
You're meant for me

Why don't you love me
Why don't you love me
Why don't you love me like you used to do

Why don't you love me
Why don't you love me
Why don't you love me like you used to do...
