

## Forgive And Forget

Miss May I

Wanted  
For my time spent  
Searching for the world.  
I receive all I ever dream for,  
In return all is taken away  
Remember everything before tonight.  
I remember everything before tonight.  
These illusions that life is so clear  
Have been cleansed from my thoughts.  
Floating branches are the only things  
Truly connected to the ground  
Take me back to how it used to be  
I'll never close my eyes again  
How could I ever forget a place like this?  
Somewhere that I can call my own  
My eyes will never see where I'm suppose to be.  
Take me back to how it used to be  
I'll never close my eyes again  
How could I ever forget a place like this?  
Somewhere that I can call my own.  
This is satisfaction  
In it's most  
Beautiful state.  
Beautiful state...  
Surrounding me  
Is everything  
That is true,  
Just let this be true,  
Let this be...  
I won't forget this place  
I won't forget, this is my own  
I won't forget, open my eyes  
I won't forget.  
I won't forget.
