

Hatred From The Religious

Miss May I

Guided by hatred, you've created a religion all of your own
Dogmatically defending your hypocritical position
Grounded in rebellion, yet ever conforming to the demands of your peers
What is it you're so afraid of?

Emptied of all individuality,
Demanding that we fit your mold
We don't fear you - you've made us stronger
Open-mindedness redefined

Keep telling us we're ignorant,
Keep telling us we don't belong
We'll keep you in our prayers and keep making worship songs
Where is this tolerance you speak of?
Why are your lips tainted by that which you condemn?

A strictly defined double standard
I am disgusted by what I observe
I am so tired of a finger pointed at me
With closed eyes and a loud mouth, are you unwilling to learn?
I am disgusted by what I observe.
