Miss Montreal

Would you come for me if you could
You are there and I am here alone
We don't know what to wait for
Two strangers with no home
Do you feel me, can you hear me?
Would you be there if I called your name?
Can not stand the feeling
That you'll never understand

I see the way you look at me, it makes me angry
I don't know if you'll ever know me at all

Don't ask for deeper thoughts
They'll only break us further down
And there is nobody else around
I miss you more each day I'm alone

'Cause you
You don't know me

Do you see me, do you read me?
Well my thoughts are like an open book
It's somewhere in between the lines
So take a closer look

I see the way you look at me, it makes me angry
I don't know if you'll ever know me at all

Don't ask for deeper thoughts
They'll only break us further down
And there is nobody else around
I miss you more each day I'm alone

Can my heart reach you from here
It is screaming and I
I wonder
If you can hear
Can hear me

'Cause you
You don't know me

Don't ask for deeper thoughts
They'll only break us further down
And there is nobody else around
I miss you more each day I'm lone

'Cause you
'Cause you
You don't know me

'Cause you
'Cause you
You don't know me
You don't know me at all
