

# This One's For You

Miss Montreal

Many years have passed since we met in a song  
An introduction that slapped me in the face quite hard  
Many drinks and so much wiser I am now  
Let me tell you that your music and I had a ball

Now it's time for me to give you something back  
So I'll sing like you did then and hope you're thankful for th  
at

This one's for you  
This one's for you  
This one's for you alright

This one's for you  
This one's for you  
This one's for you alright now now

Now you're living on a farm and God knows where  
What do you do, do you remember who I am  
The possibility to thank you in this song  
Is the best way I could ever think of

Now it's time for me to give you something back  
So I'll sing like you did then and hope you're thankful for th  
at

This one's for you  
This one's for you  
This one's for you alright

This one's for you  
This one's for you  
This one's for you alright now now

This one's for you  
This one's for you  
This one's for you alright

This one's for you  
This one's for you  
This one's for you alright now now now now

This one's for you [6x]
