

Queen Of Light

Missing Heart

Aaahaaaaahaaaaah
Can you see me falling?
Aaahaaaaahaaaaah
Can you hear me calling you?

Shadows of pale pass by
You've have to sail and I
Will love you, forever
You've tearing me down but why?
My daydreams are bound to die
I'll miss you, forever

Hear me!
Queen of light help me throught the night
And deep inside missing links a hurting
Queen of light tell me why ayay
You hide there behind the curtain?

Aaahaaaaahaaaaah
Can you see me falling?
Aaahaaaaahaaaaah
Can you hear me calling you?

All that we had were lies
We're ending with sad goodbyes
Story is over
Playing it cool, I'll try
I'm breaking the rules and I cry
I want you, forever

Hear me!
Queen of light help me throught the night
And deep inside missing links a hurting
Queen of light tell me why ayay
You hide there behind the curtain?

Aaahaaaaahaaaaah
Can you see me falling?
Aaahaaaaahaaaaah
Can you hear me calling you?

Hear me!
Queen of light help me throught the night
And deep inside missing links a hurting
Queen of light tell me why ayay
You hide there behind the curtain?

Aaahaaaaahaaaaah
Can you see me falling?
Aaahaaaaahaaaaah
Can you hear me calling you?
