

The Last Kiss

Missing Heart

I'm thinking of you, my love
And I can feel the tears
That rub down
On my cheeks like rain
Give me a last kiss

Why did you leave
My love behind
Tears in my eyes
Just take me blind
I can't believe it's all over
Forever

Why did you leave
Without a word
I realize
That love can hurt
We lost a dream that we built up
Together

Give me a last kiss
A last night
A last chance to hold you
A last kiss
A last touch
A last word to hold you
Give me a last kiss
A last kiss

I could convince
Your heart to stay
And I could take
Your fears away
Only your loving can keep me
From crying

Why did you leave
Our love behind
A different one
Is hard to find
I'm so alone and I'm feeling
Like dying
