The Last Kiss

Missing Heart

I'm thinking of you, my love And I can feel the tears That rub down On my cheeks like rain Give me a last kiss Why did you leave My love behind Tears in my eyes Just take me blind I can't believe it's all over Forever Why did you leave Without a word I realize That love can hurt We lost a dream that we built up Together Give me a last kiss A last night A last chance to hold you A last kiss A last touch A last word to hold you Give me a last kiss A last kiss I could convince Your heart to stay And I could take Your fears away Only your loving can keep me From crying Why did you leave Our love behind A different one Is hard to find I'm so alone and I'm feeling Like dying
