

## Words

## Missing Persons

Do you hear me  
Do you care  
Do you hear me  
Do you care

My lips are moving and the sound's coming out  
The words are audible but I have my doubts  
That you realize what has been said  
You look at me as if you're in a daze  
It's like the feeling at the end of the page  
When you realize you don't know what you just read

What are words for when no one listens anymore  
What are words for when no one listens  
What are words for when no one listens it's no use talkin at all

I might as well go up and talk to a wall  
'cause all the words are having no effect at all  
It's a funny thing am I all alone

Something has to happen to change the direction  
What little filters through is giving you the wrong impression  
It's a sorry state I say to myself

What are words for when no one listens anymore  
What are words for when no one listens  
What are words for when no one listens it's no use talkin at all

Do you hear me  
Do you care  
Do you hear me  
Do you care

Let me get by  
Over your dead body  
Hope to see you soon  
When will I know  
Doors three feet wide with no locks open  
Walking always backwards in the faces of strangers  
Time could be my friend  
But it's less than nowhere now  
Less than nowhere now  
Less than nowhere now  
Now  
Ow ow ow

Pursue it further and another thing you'll find  
Not only are they deaf and dumb they could be going blind and no one notices

I think I'll dye my hair blue

Media overload bombarding you with action  
It's getting near impossible to cause distraction  
Someone answer me before I pull out the plug

What are words for when no one listens anymore  
What are words for when no one listens

What are words for when no one listens it's no use talkin at all

What are words for when no one listens anymore

What are words for when no one listens

What are words for when no one listens it's no use talkin at all

Do you hear me
