

## Baby Girl Interlude

Missy Elliott

Eh yo Mary, i need you to vibe wit me on this one, uh  
Uh  
Check it  
As i grab my pad and pen and begin to talk from within  
Oh God im hot as the water like a preacher whos sinned  
Im only human but  
The world has put me on a platform since the day i was born  
To only wait for my downfall but like a brick wall im too hard  
to brake  
Ok i do make mistakes but im the realest from the fake  
Thats why im the hardest to hate  
Aaliyah baby girl i've learned to love those while ther still a  
wake  
Sleep Sleep  
And prepare a place for those who are good in the projects and  
hood  
Give to those who are misunderstood  
I know like Lisa, Pac and Biggie and Jay and Pun are still No1  
There will be more of us to come  
I am a leader a teacher i gotta, like a single parent provider  
Put in back those hip hop dividers  
Like a preist with a back slider  
I've sinned ut i win  
And anyone we've lost in life from 9-11  
We'll be sure to see again  
What you hear is not a test, im rockin to the beat (2x)  
See me and my crew, and my friends were gonna try to move our f  
eet  
See i am Mary Blige and i'll like to say hello  
To the black to the white, the red and the brown, the purple an  
d yellow  
First you gotta.....first you gotta
