

## X-Tasy

Missy Elliott

Read between the lines  
Ecstasy, a place of fulfillment and fantasies  
Were your dreams become reality's  
Mhm, ecstasy  
It enhances your most inner desire  
to become more free with your guts and feelings  
E-E-E-ecstasy

Boy let me free your mind, lets hook up tonight  
Take you on a flight, high, high  
Make you warm inside, I won't waste you're time  
My love is so divine, it feels like I'm on..

Ecstaacyy, I'm willing, to do the things I said I wouldn't do  
On ecstaacyy, the feeling makes me feel like I'm in love with y  
ou

Boy look into my eyes, I'm so energized  
Make it last long time, touch mee  
Everything feels sweet, my body feel your breeze  
up all against me, it feels like I'm on..

Oh it feels like I'm on, ecstaacyy  
Everybody jump in and do something  
Feel so free, I feel like making love to you  
So what you wanna do? (AHH.. ahhh.. AHH!)

Ecstaacyy, everybody jump in and do something  
Feel so free, I feel like making love to you  
So what you wanna do? (AHH.. ahhh.. AHH!)

[Chorus]
