

Angela

Missy Higgins

Clear the way she's coming through
With her eye-shadow of satin blue
And her fingernails all painted blue
She's a danger you're addicted to

Angela, Angela you're a danger he's addicted to

So move aside she has arrived
With her baby neck and sleepy eyes
She has heels that walk all over you
She's a danger you're addicted to

Angela, Angela you're a danger he's addicted to
Oh Angela, Angela you're a danger he's addicted to

And I try to be more like you
Speak louder and prouder and hide my love but it spills out

Angela, Angela you're a danger he's addicted to
Oh Angela, Angela you're a danger he's addicted to
So I'll try to be more, more like you
