

# Confide in Me

Missy Higgins

I stand in the distance  
I view from afar  
Should I offer some assistance?  
Should it matter who you are?

We all get hurt by love  
And we all have our cross to bear  
But in the name of understanding now  
Our problems should be shared

Confide in me  
Confide in me

I can keep a secret  
And throw away the key  
But sometimes to release it  
Is to set our children free

We all get hurt by love  
And we all have our cross to bear  
But in the name of understanding now  
Our problems should be shared

Confide in me  
Confide in me  
Confide in me  
Confide in me

Stick or twist, the choice is yours  
Hit or miss, what's mine is yours  
Stick or twist, the choice is yours  
Hit or miss, what's mine is yours

We all get hurt by love  
And we all have our cross to bear  
But in the name of understanding now  
Our problems should be shared

Confide in me  
Confide in me  
Confide in me  
Confide in me  
Confide in me  
Confide in me
