

Katie

Missy Higgins

Katie was a little girl who said "I'll find a way".
Katie was a little girl who said "it'll be ok".
Till one day she found a little bit of something she used to dr
own.
She said "I'm alive and I am free, but you see I have control o
ver me."

But will you draw the line?
Turn a blind eye to all the faces that you know?
And she said, "go".
