All the girls are drunk
Maybe so am I
Here beneath the old express way
I watch 'em walk on by
All the harbour's humming
Gonna light the crackers soon
I just wanna kiss you
Beneath the New Year moon

All the junky kids are tired
Every single Taxi's hired
Say I'm moving slow, that you wanna go
But I don't wanna leave
There's no need to feel so bad
Growing up can make you sad
You won't be ignored
All aboard! Tonight is New Year's Eve!

Mum and dad are in the back yard
With Gladys Knight and her Pips
My little brother's in his bedroom
With nicotine on his fingertips
MY BIG BROTHER'S downtown!
Scarin' girls and fightin' Surfies
Said I'd meet him by the Danica Bath stand
Next to Colin Murphy's

All the junky kids are tired
Every single Taxi's hired
Say I'm moving slow, that you wanna go
But I don't wanna leave
There's no need to feel so bad
Growing up can make you sad
You won't be ignored
All aboard! Tonight is New Year's Eve!

I can hear those Westies blow their horns
Desert dust dragging off the dunes
Downtown's got it's own sound
Whistlin' through these rooms
And the streets are full of action
The burning sands are hangin' high
I just gotta get some traction
Let the light shoot through my eyes

All the punks are lightin' fires
Drinkin' long necks in the park
Some girl is swimmin' in the fountain
Singing Buzzcocks in the dark
Your sister always says she's lonely
I stole a New Year's kiss from her
As the last train left the station
Every red light was a blur

All the junky kids are tired
Every single Taxi's hired
Say I'm moving slow, that you wanna go

But I don't wanna leave
There's no need to feel so bad
Growing up can make you sad
You won't be ignored
All aboard! Tonight is New Year's Eve!

Now all the junky kids are high
The train driver's gettin' tired
Moon is hangin' low, rays are rocking slow
Shut your eyes and breathe
I don't know why you're feeling sad
It's the best time that I ever had
Oh, let me hold you tight
Let me hold you tight Tonight is New Year's Eve

All right, All right, All right!
