

Steer

Missy Higgins

Feel it falling off like clothing
Taste it rolling on your tongue
See the lights above you glowing
Oh and breathe them deep into your lungs

It was always simple, not hidden hard
You've been pulling at the strings playing puppeteer for kings
And you've had enough

But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know that you control where you go
You can steer

So hold this feeling like a newborn
Of freedom surging through your veins
You have opened up a new door
So bring on the wind, fire and rain

It was always simple, not hidden hard
You've been played at a game called remembering your name
And you stuffed it up

But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know that you control where you go
You can steer

'Cos you've been listening for answers
But the city screams and all your dreams go unheard

But the search ends here
Where the night is totally clear
And your heart is fierce
So now you finally know that you control where you go
You can steer
Year get out of the box and step into the clear
'Cos now you finally know you can steer
