

Guaranteed To Bleed

Mister Monster

Im Only 21 But Running Out of Blood
I'll Gain a Pint or 2 Next Time We Fall In Love
Gauze and Bandages Are my Best Friend
And Just Like You, They'll Stick to Me, Right Until the End

When You See Me Crawling Down
Your Street at Night Don't Be Scared
I Promise Not to Bite
And When You Wake Up Right After Dawn
Run to Your Car I Left you Flowers and Another Song
When You Tuck Yourself In So Tight
Look to your Left, Take a Breath, Close Your Eyes
And Baby Say.....

"Goodnight, Goodnight, My Love.
Lets us Gaze at Exploding Stars Above.
You and I Are Meant to Be, Why Don't You Marry me?"
I'm One of Them, Guaranteed to Bleed

In My Blood Runs Your Disease
It Runs Through My Veins and
Drops Me Down to My Knees.
So Pet My Head, When I Eat Your Pretty Guts.
Hold My Hand, Look Down and Tell Me,
"Baby, Not Too Much"
But In My Nightmares You'd Always Laugh
Them Smiles I See Are Grins Of Death, HaHa,
I'll Never Forget....

Not For the Life of Me,
Baby I Don't Ever Wanna Bleed
So Wrap MY Bandages Tight,
When We Go To Bed at Night.
I'm One of Them, Guaranteed to Bleed

You'll Be The Death of Me,
Baby I Don't Ever Wanna Bleed
So Wrap My Bandages Tight,
When We Go To Bed at Night.
You and I We Are, Like Couples In Movies.
You and I We Are, The Kind That Get Married.
You and I We Are, Guaranteed to Bleed.
