

# Oceans

MisterWives

The wind-soft melody  
Sings to me so happily  
When you're near me, everything is just so right  
When all seems so wrong  
Your love reminds me where we belong  
You make my cloudy dark skies so bright

So can we  
Stay forever-ever like this and  
Laugh and love in this happy bliss and as  
Time runs through our fingers this  
Love, this love will stay and linger so  
Hold me close and never, never let go and  
Promise to love it every high and low, these  
Words you are singing to  
Me, you are my everything  
My everything  
You're my everything  
My everything

The planets and stars  
And Venus and Mars  
No, they don't measure up to you  
No, no  
And nothing can compare  
To you, this I swear  
This life we've strung, let's  
Never, never undo

So can we  
Stay forever-ever like this and  
Laugh and love in this happy bliss and as  
Time runs through our fingers this  
Love, this love will stay and linger so  
Hold me close and never, never let go and  
Promise to love it every high and low, these  
Words you are singing to  
Me, you are my everything  
My everything  
You're my everything  
My everything

So let's run with reckless emotion  
Let's find out if love is the size of the ocean and a  
Hundred ought to be too few word  
To carry all my love for you  
So let's run with reckless emotion  
Let's find out if love is the size of the  
Oceans, oceans  
Oceans  
Oceans, oceans  
Oceans

So can we stay forever like this  
And just laugh and love in this happy bliss  
As time runs through our fingers  
This love will stay and linger

So would you hold me close and never let go  
Promise to love it every high and low  
These words you are singing, oh  
To me you are my, my everything  
My everything  
My everything  
My everything
