

# Only Human

MisterWives

Desires are fed  
But do we feel full  
As it crept in our bed  
I tried to keep my cool  
But there's an emptiness  
I cannot undo  
I know you didn't mean harm  
I know it's so unlike you

But we're human  
Only human  
As beautiful as the sea  
Glistening so dangerously  
Oh, we're human  
Only human  
Like a moth to a flame  
We can't resist love's game

Oh we know, Oh we know  
It was wrong  
It killed me to see you  
So gone  
You let your head get too  
Withdrawn  
From your body  
Only thinking with your body

Oh we know, oh we know  
It was wrong  
But we will find our  
Way along  
Cause what we have is  
Too strong  
And nobody, can tear us down  
Nobody

Drank 'till we sank  
Into the ground  
Where we hit such a low  
Embarrassed to make a sound  
I caught your blue eyes  
Resembling waterfalls  
And in that moment I knew  
No words need to be said at all

Cause we're human  
Only human  
Beautiful as a sea  
Glistening so dangerously  
Oh, we're human  
Only human  
Like a moth to a flame  
We can't resist love's game, no

Oh we know, Oh we know  
It was wrong  
It killed me to see you

So gone  
You let your head get too  
Withdrawn  
From your body  
Only thinking with your body

Oh we know, oh we know  
It was wrong  
But we will find our  
Way along  
Cause what we have is  
Too strong  
And nobody, can tear us down  
Nobody

Human, only human (x8)

Oh we know, Oh we know  
It was wrong  
It killed me to see you  
So gone  
You let your head get too  
Withdrawn  
From your body  
Only thinking with your body

Oh we know, oh we know  
It was wrong  
But we will find our  
Way along  
Cause what we have is  
Too strong  
And nobody, can tear us down  
Nobody

Human, only human...
