

Me Ves Y Sufres

Mistress

Something round here stinks like shit
And it's spewing out the hole in your face

But the heat's on - I've gotta jackrabbit all the plastic accusations in place

Me ves y sufres
Just keep your knife damn fucking close
Me ves y sufres
Always planted in your back when you need it most
Me ves y sufres
Piece of shit trying to fuck me over
Me ves y sufres
You see me and you suffer

Paybacks a bitch
A fucking bitch
A fuck ass bitch

Me ves y sufres
Just keep your knife damn fucking close
Me ves y sufres
Always planted in your back when you need it most
Me ves y sufres
Piece of shit trying to fuck me over
Me ves y sufres
You see me and you suffer

Paybacks a bitch
A fucking bitch
A fuck ass bitch

Me ves y sufres
Just keep your knife damn fucking close
Me ves y sufres
Always planted in your back when you need it most
Me ves y sufres
Leading me down to be slaughtered like swine
Me ves y sufres
But surprise boy, it's payback time!
