

I Will Waste My Life

Misty Edwards

I will waste my life I'll be tested and tried
With no regrets inside of me to find I'm at Your feet

I'll leave my father's house and I'll leave my mother
I'll leave all I have known and I'll have no other

I am in love with You There is no cost
I am in love with You There is no loss
I am in love with You I want to take Your name
I am in love with You I want to cling to You Jesus
Just let me cling to You Jesus

I'll say goodbye to my father my mother
I'll turn my back on every other love and
I'll press on yes I'll press on
