

# Let Me Love You More

Misty Edwards

I'm in love with a Man  
I'm in love with a stranger  
I'm in love with my Maker  
Whom I have never seen  
I'm in love with the Lamb  
I'm in love with the Lion  
I'm in love with my Savior  
Whom I have yet to know

O won't You let me love You more  
This is all that I desire  
And won't You let me love You more  
This is all that I require  
Won't You let me love You more  
This is my deepest heart's desire  
Won't You let me love You more  
Still more and more

For You could give to me  
The gift of walking on water  
And maybe maybe I will raise the dead

I have one life to live  
All I have to give to You is love  
I have one life to live  
All I have to give to You is love

If I never walk on water  
If I never see the miracles  
If I never hear Your voice so loud

Just knowing that You love me  
Is enough to keep me here  
Just hearing those words is enough  
Is enough to satisfy  
You do You do You satisfy  
I couldn't live even if I tried  
I must have You I must have You I must have You

'Cause when it's all been said  
And when it's all been done  
When the race is run
