

My Confession

Misty Edwards

I will follow the Lamb wherever He goes
Wherever He goes I will follow Him 3X

There's only one way to the Father
There's only one truth
There's only one light in the darkness
There's only one way to the Father
There's only one truth
There's only one light in the darkness

He's not just a teacher
He's not one of many
He's the very Son of God
He's not just a teacher
He's not one of many
He's the very Son of God
And I will follow Him
'Cause I will follow Him
