## **Misty Edwards**

With just one word from Your mouth were the heavens made With just one breath from Your lips, the foundations were laid

With just one dream in Your heart, You have wanted me With just one pulse of Your heart, You are wooing me

See the way He holds the stars in His hand See the way He holds my heart

God is a Lover looking for a lover, so He fashions me God is a Lover looking for a lover, so He forms my heart

With just one pulse of Your heart (3x)

I'm in love!
