

Servant Of All

Misty Edwards

I wanna be with You
where You are
You're the Servant of all

I'm in love with a King
who became a slave
And I'm love with a God
who is humble
And you gotta go down
if you wanna go up
And you've got to go lower
if you want to go higher and higher
And you've got to hide and do it in secret
if you wanna be seen by God

Cos' it's the inside, outside, upside down kingdom
where you lose to gain and you die to live

I wanna be Your lover
so show me how to go how to go lower
For in the depths I will find You
where You're serving my brothers
