

# You Set Your Love On Me

Misty Edwards

You set your love on me

What would a man give for love  
If a man gave for love all the wealt of his house  
He would utterly dispise the recognition  
If a man gave all that he had for love  
He would count it all as nothing in the end

Because love loves to lovand the reward of love is love

I will tell you a mystery  
I'm speaking about Christ  
Christ and his bride  
For this reason he left his Father' house  
How then should we respond

Be the fire in my heart  
Be the fire in my soul  
Be the fire in my heart immortal

You set your love on me  
You set your love on me  
I can feel it, I can feel it
