

# Get Away

Mitchel Musso

I'm not sure what this is between us,  
No matter what they say we've outgrown this place,  
And we got to get away!  
Cause I am now, the best crazy,  
And maybe we can live it all the night,  
Just say it!  
Cause I know what's on your mind!

Maybe we should get away,  
Baby, we could leave this town together,  
Maybe we could make our ways,  
We could make it!  
Maybe we could get away,  
And we don't have to wait to start whatever,  
This could be our only chance,  
We should take it!  
Maybe we should get away!

No one said this gonna be easy,  
And believe me, I know what I want!  
Just take my hand!  
Don't... if I have to,  
Driving fast that they can't stop you,  
I know you're scared,  
It's nothing to be...

Maybe we should get away,  
Baby, we could leave this town together,  
Maybe we could find our place,  
We can make it!  
We gonna make it!  
Maybe we could get away,  
And we don't have to wait to start whatever,  
This could be our only chance,  
We should take it!  
Maybe we should get away!

Don't stop!  
Let the music move you!  
Don't stop!  
Let the rhythm run through you!  
Don't stop!  
Let the music move you!  
Don't stop!  
Let the rhythm take you!

I know that she's coming,  
And we're going tonight,  
...  
I know that we're going and she's got to yell,  
Come on, pretty baby let's get up whole night, here!

Maybe we should get away,  
Baby, we could leave this town together,  
Maybe we could find our place,  
We can make it!  
We gonna make it!

Maybe we could get away,  
And we don't have to wait to start whatever,  
This could be our only chance,  
We should take it!  
Maybe we should get away
