

Welcome to Hollywood

Mitchel Musso

I felt this time that we had something
You rolled your eyes like it was nothing new
You only think about you

Put your shades on not to show it
Don't pretend that you don't know it's true
You only think about
If you look good and girl you should

Welcome to Hollywood
Boy, you better live it up before it brings you down
Welcome to Hollywood
Just got a grip on how to get around

I'm so glad I got to know you
Now I know what I'm suppose do
You only think about you

The friendly faces I've been seein'
Now I know they're far from being true
You only think about
If you look good, I guess I should

Welcome to Hollywood
Boy, you better live it up before it brings you down
Welcome to Hollywood
Just got a grip on how to get around in your favorite Tinseltown

The boulevards, the neon lights
I've been in love since the first sight
I wouldn't change it if I could
Welcome to Hollywood
Welcome to Hollywood

Boy, you better live it up before it brings you down
Welcome to Hollywood
Just got a grip on how to get around

Welcome to Hollywood
Just got a grip on how to get around

Dog eat dog is to be seen
In the tabloid magazine
Seventeen, a billionaire
Daddy's money, do you care?

Welcome to Hollywood
