

# Welcome to Hollywood

Mitchel Musso

I felt this time that we had something  
You rolled your eyes like it was nothing new  
You only think about you

Put your shades on not to show it  
Don't pretend that you don't know it's true  
You only think about  
If you look good and girl you should

Welcome to Hollywood  
Boy, you better live it up before it brings you down  
Welcome to Hollywood  
Just got a grip on how to get around

I'm so glad I got to know you  
Now I know what I'm suppose do  
You only think about you

The friendly faces I've been seein'  
Now I know they're far from being true  
You only think about  
If you look good, I guess I should

Welcome to Hollywood  
Boy, you better live it up before it brings you down  
Welcome to Hollywood  
Just got a grip on how to get around in your favorite Tinseltown

The boulevards, the neon lights  
I've been in love since the first sight  
I wouldn't change it if I could  
Welcome to Hollywood  
Welcome to Hollywood

Boy, you better live it up before it brings you down  
Welcome to Hollywood  
Just got a grip on how to get around

Welcome to Hollywood  
Just got a grip on how to get around

Dog eat dog is to be seen  
In the tabloid magazine  
Seventeen, a billionaire  
Daddy's money, do you care?

Welcome to Hollywood
