

## HikariE Remix ~English version~

miwa

What do you want to do?  
What do you want to do?  
What do you want to do?  
What is the meaning of life?

What do you want to be?  
What do you want to do?  
Whatever you want to be, you can be.  
Where you want to be?  
Where you want to go?  
Wherever you want to go, you can go.

Believe in yourself  
No matter how far you have to go.  
Don't stop your steps  
No matter how hard the winding road will be.

I want to be there for you.  
When you need me near by your side  
Always be there for you.  
Love will shine on you.  
No matter how far I am  
Nothing can break us apart  
And I'll just help you laugh.  
My heart will always be with you till the end.

You were the lonely one.  
You were the only one.  
You will be the shining star of my life.  
I want to brighten up.  
In the darkest night, I believe in you.  
(What do you want to do?  
What do you want to do?)  
Believe in yourself.  
(What do you want to do?  
What is the meaning of life?)

When you want to go?  
When you want to go?  
Whenever you want to go, you can go.  
'Cause you may be rich  
"Cause I may be poor  
Nothing's gonna change my life, how I feel.  
Believe in love, no matter how high you have to go.  
Don't stop your love  
No matter how far the winding road will be.

I want to be there for you.  
When you need me near by your side  
Always be there for you.  
Love will shine on you.  
No matter how far you are  
Nothing can break us apart  
And I'll just help you laugh.  
My heart will always be with you till the end.

No matter how much rain and pain.

No matter how much wear and tear you may have.  
We are in this together.  
Forever, I will always be there.  
Everything's gonna be alright.  
Nothing's gonna bother us right now.  
The answer lies in nowhere but inside of our own hearts.

I want to be there for you.  
When you need me near by your side  
Always be there for you.  
Love will shine on you.  
No matter how far I am  
Nothing can break us apart  
And I'll just help you laugh.  
My heart will always be with you till the end.

You were the lonely one.  
You were the only one.  
You will be the shining star of my life.  
I want to brighten up.  
In the darkest night, I believe in you.  
Believe in yourself.  
(What is the meaning of life?)  
Believe in you.  
(What do you want to do?  
What do you want to do?)  
Believe in yourself.  
(What do you want to do?  
What is the meaning of life?)  
Believe in you.  
(What do you want to do?  
What do you want to do?)  
Believe in yourself.  
(What do you want to do?  
What is the meaning of life?)
