

# God Only Knows

MKTO

I've always said I could never fall  
Because I love them all  
My heart don't race when they try to call  
Because I love them all

But she got me stuttering  
Like w-w-what can I do because I can't control it  
She got me hovering  
Above the ground and I don't know what to do

God only knows  
How much I need you  
I could explode  
If I can't breathe you  
I'm on the ropes  
5 4 3 2  
Cause you're the one  
I guess I'm done  
that's how it goes  
Where will I be without you yeah?  
God only knows

There ain't a crime I wouldn't do for you  
Let's make our getaway, mmm  
These diamonds shine but not as bright as you  
I'd throw them all away

I'm here surrendering  
And I give up, throwing up my hands around you  
I can't remember when  
I felt like the way I fell for you (c'mon)

God only knows  
How much I need you  
I could explode  
If I can't breathe you  
I'm on the ropes  
5 4 3 2  
Cause you're the one  
I guess I'm done  
that's how it goes  
Where will I be without you yeah?  
God only knows  
God only knows, baby

Yeah yeah yeah  
Where will I be without you yeah?  
God only knows

when you touch me (damn, girl) with your body  
and all that I can think is how to lose our clothes  
What's next?  
God only knows  
God only knows  
God only knows

God only knows

How much I need you  
I could explode  
If I can't breathe you  
I'm on the ropes  
Like 5 4 3 2  
Cause you're the one  
I guess I'm done  
that's how it goes  
Where will I be without you yeah?  
God only knows

Yeah God only knows  
Where will I be without you yeah?  
God only knows
